

Willaura Primary School BULLYING

POLICY

Definition:

A person is bullied when someone, or a group of people, repeatedly and deliberately upset or hurt another person or damage their property, reputation or social acceptance. There is an imbalance of power in incidents of bullying with the bully or bullies having more power at the time due to age, size, status or other reasons.

Rationale:

- The school will provide a positive culture where bullying is not accepted, and in so doing, all will have the right of respect from others, the right to learn or to teach, and a right to feel safe and secure in their school environment at all times.

Aims:

- To reinforce within the school community what bullying is, and the fact that it is unacceptable.
- To alert everyone within the school community to the signs and evidence of bullying and to ensure bullying is reported to staff whether a person is an observer or a victim.
- To ensure that all reported incidents of bullying are followed up appropriately.
- To seek parental and peer-group support and co-operation at all times.

Implementation:

- Bullying may consist of physical harm, harassment, verbal insults or hurtful remarks, or actions designed to hurt somebody's reputation, social standing or to cause humiliation. Bullying may be carried out directly or indirectly, and may include the use of digital technologies such as social network sites, websites or on-line chat rooms.
- Our school has a zero tolerance position to bullying.
- Our school will combat bullying by providing a safe, secure and stimulating learning environment based on the Effective School's model.
- We have adopted a four-phase approach to bullying.

A. Primary Prevention:

- Professional development for staff relating to bullying, harassment and proven counter measures (shared text, Sue Anderson, 'Unbullyable' and Sue Anderson PD 2014).
- Each classroom teacher will clarify with students the different types of bullying, as well as the consequences and impact of bullying.
- Community awareness through school newsletter and website regarding bullying, its characteristics and the school's programs and responses, complemented by clear processes for reporting suspected bullying.
- The provision of programs that promote inclusiveness, resilience, life and social skills, conflict resolution, problem solving (Life Education, You Can Do It, Kidsmatter).
- Assertiveness training and bystander training that builds skills in children to challenge and/or report unacceptable behaviour.
- A bullying survey to be introduced, administered and responded to annually.
- Anti-bullying messages and posters will be displayed and communicated to the school community.
- Staff and students to promote the philosophy of 'No Put Downs'.

- Where required, structured activities will be available to students at recess and lunch breaks.
- Teachers will be trained in cybersafety. Cybersafety awareness programs will be provided for parents and cybersafety will form part of each child's ICT curriculum through school participation in registration as an esmart school and annual Life Education visits (cybersaftey program for Years 4-6).

B. Isolated, Infrequent or Less Serious Incidents:

- All instances of suspected bullying or inappropriate behaviour must be responded to by the Principal.
- Parents are encouraged to contact the school if they suspect a bullying or behaviour problem.
- The school will reinforce with children the importance of appropriately reporting incidents of inappropriate behaviour involving themselves or others, and the imperative that staff respond appropriately and proportionally to each allegation consistent with the school's Student Code of Conduct, including the proper reporting and recording of the incident.
- Parents are to be contacted if their child is alleged to have been bullied or experienced inappropriate behaviour, or if their child appears to have behaved inappropriately or bullied someone else.
- Appropriate and proportional consequences may include a verbal apology, writing a letter of regret, completing a Behaviour Incident Sheet, loss of privileges etc.
- Public recognition and reward for positive behaviour and resolution of problems will occur as appropriate.

C. Repetitive or Serious Incidents:

- Serious incidents and/or repetitive incidents of bullying or unacceptable behaviour must be reported, responded to by the Principal and staff and documented. The Principal must be informed.
- Serious incidents are those that include physical assault, sexual assault, criminal activity involving theft or serious damage of property, serious threats or homophobic bullying etc.
- All such incidents or allegations will be properly investigated and documented. Depending upon the nature of each incident, they may be also be reported to and investigated by police, reported to the Student Critical Incident Advisory Unit, and/or reported to the Department's Emergency and Security Management Unit.
- The school may contact support professionals such as Welfare officers, Welfare coordinators or Councillors and/or Student Support Officers for assistance and support.
- Students and staff and parents identified by others as bullies will be informed of allegations.
- Both bullies and victims will be offered counselling and support.
- The most appropriate staff member will contact parents of the targeted child. The Principal will contact alleged perpetrators unless advised by police etc not to do so.
- Regional Office will provide support as appropriate, and the Principal will monitor the investigation and review the situation until matters are appropriately resolved.
- Consequences of repetitive or serious incidents may include criminal charges, suspension, expulsion, loss of privileges, counselling, conciliation or any other consequences consistent with the school's Student Code of Conduct.
- A management strategy for all parties will be developed in consultation with the students and parents involved.
- Parents or community members who bully or harass or abuse staff will be provided with official warnings, and if necessary referred to the police, and/or have Trespass restrictions placed upon them by the Principal consistent with the Summary Offences Act.

D. Post Incident:

It is important that appropriate strategies are put in place after the incident has been resolved for all students involved. Appropriate strategies may include:-

- conciliation meetings between all parties
- ongoing monitoring of students involved
- identification of an agreed key contact staff member for each student involved
- follow-up meetings regarding each child's management strategy
- ongoing communication with parents
- counselling from appropriate agencies of support officers etc for both parties.
- reinforcement of positive behaviours and appropriate behaviour strategies.
